

Musical Theatre Prorammes for Children & Teens Courses

兒童及青少年音樂劇課程

Children Broadway Song & Dance 兒童百老匯歌舞班 (6-12yrs)

The course provides opportunities for students to learn singing in English and theatre dance through a selection of musical theatre numbers from Broadway Musicals suitable for children.

Each 2-hour class will consist 2 parts – singing and dancing. Students will learn the basics of their vocal instrument through group singing and vocal exercises, as well as jazz and theatre dance techniques.

A Fun class that will emphasize performance skills and creative thinking. No previous training or experience is required. Students will perform at the end-of-term presentation for their parents and friends.

Broadway Teens Song and Dance 青少年百老匯歌舞班 (13-19yrs)

This is a group singing and dance class aimed at creating great fun together. It will help the students to understand how those great Broadway chorus songs are put together in two, three, or four parts harmony. A fun class that will focus on ear training, harmony and diction.

Students will then learn the choreography of the song they learnt as well as basic techniques on Theatre Dance. The participants will be performing a wide selection of Broadway and West End repertoire.

Suitable for everyone who loves to sing and everybody who wants to give it a try without the fear of singing and dancing by him/herself. No experience required but enthusiasm a must. Students will perform at the end-of-term presentation for their parents and friends.
